

Human Resource Letter No. 11-15
2011 Multi-Agency Harvest Hope Food Drive
July 18, 2011

Today marks the beginning of the 2011 Multi-Agency Harvest Hope Food Drive. The Food Drive is a collaborative effort between State agencies, the SC Government Improvement Network and the SC Society of Certified Public Managers that will run from July 18 – August 19, 2011. There are three ways you can contribute: donate money directly, shop on Harvest Hope's Virtual Food Drive, or bring desired items to our collection site in the break room.

Please refer to the attached [flyer](#) for details on donating directly through the website at www.harvesthope.org and for information on participating in the virtual food drive. Donations can also be made by dropping off items in the collection bin in the break room or by making cash donations. For every \$1 donated, \$0.98 of that dollar goes directly to feeding hungry families.

If you have any questions or need additional information, please feel free to contact me.
